

Alto Forestana

Region: Mallorca Sleeps: 10

Overview

Alto Forestana is situated in an excellent location in the Tramuntana mountains, right in the middle of a beautiful forest - perfect if you're looking to be surrounded by nature on your luxury villa holiday. Its vantage point means the villa provides amazing views over the town of Sa Pobla.

A central corridor running through the middle of the ground floor takes in the dining room and lounge area (which are linked via a set of double doors). On the opposite side of this corridor you'll find the kitchen and a twin bedroom, next to which is a handy shower room.

A door at the end of the ground floor corridor leads to the covered terrace, swimming pool and gardens. In addition to the main pool there is also a small circular splash pool – perfect for young kids to play around in!

Stairs up to the first floor will take you to an expansive landing with access to a balcony. Leading off the landing is the master double bedroom, which also comes with a balcony and en-suite bathroom and two more twin bedrooms. An additional full bathroom is also found on this floor.

Outside is a separate bungalow located right next to the main house. This open-plan accommodation provides a bedroom with a large double bed, a living room and small kitchen and a shower room for extra guests.
