

Can Canica

Region: Mallorca Sleeps: 10

Overview

Can Canica is found in a great location, just off the road running between Puerto Pollensa (with its numerous wonderful beaches) and Pollensa, with its historic and engaging old town. The tranquil resort and beaches of Cala St Vicente are also within quick and easy reach if you fancy a change of scenery.

Electric gates open to reveal a long driveway which leads up to the villa. The front door opens to reveal an expansive entrance hall complete with marble floors, which itself leads to an open-plan lounge and dining room which features doors out to the covered terrace overlooking the pool, terrace, Jacuzzi and garden.

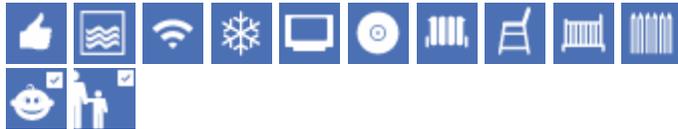

The dining room is adjacent to a fully fitted kitchen with enough table and chairs for all guests. There's also doors here that lead out to a terrace, and a separate laundry room off the kitchen.

By the entrance of the ground floor is a toilet, and the corridor that leads to the bedrooms. These consist of a double bedroom with en suite shower room and three twin bedrooms sharing a tastefully designed full bathroom complete with marble fittings.

A sweeping staircase leads to the first floor balcony, which has a WIFI connectivity and has panoramic views across the beautiful pool, garden and surrounding countryside. In addition, on this floor there is a large double bedroom with a dressing room, featuring two sets of walk-in wardrobes and an impressive and fully fitted marble bathroom.
