

Casa Tranquillo

Region: Mallorca Sleeps: 6

Overview

Approached up a mountain road from Cala San Vicente, Casa Tranquillo is a stunningly beautiful villa set in its own private grounds in perfectly quiet and tranquil surroundings, with views that are quite simply breathtaking.

The property is entered through a set of electric gates that lead onto a paved driveway. Here, you'll encounter a Mediterranean garden with many species of palms that delight the senses.

The front door leads into a hallway that has doors going off on both sides. To one side is a small bedroom with bunk beds, a table and chair. Next to this is a shower room with walk in shower and WC. Further bedrooms here include a twin with fitted wardrobes and a master bedroom, also with fitted wardrobes and a 180cm bed. The family bathroom has a full size bath and shower over, toilet, vanity unit and bidet. All the bedrooms come complete with air conditioning.

The kitchen has all the necessary equipment to whip up any sort of meal, as well as a walk in pantry to keep your supplies fresh. Off the kitchen is a door leading to the path around the side of the villa, as well as a small terrace overlooking several picturesque points.

The open dining room and lounge area is tastefully furnished in neutral cream and brown shades, with a dining table made of dark wood that comes with high-backed leather chairs. The lounge area comprises of two seating areas - the first with a basket weave sofa and two easy chairs with cream soft cushions. Following through there is a TV area which is furnished with a large brown leather sofa and a further cream corduroy sofa. The far wall of the lounge has a wood burning stove (great if you're visiting in the cooler months) and from here, a set of large glass doors lead out to a covered terrace.

Outside, leading from the lounge is a covered terrace with a glass table and chairs for alfresco meals, and from there it's a few steps down to a kidney shaped swimming pool. A little further round from here is the first terrace look out point, where you can enjoy uninterrupted 180° views of the mountains and the sea.

On the other side of the property is another lookout terrace, this time with bench seating and views out onto to sea. For guests who enjoy walking, this is the perfect venue as there are several paths across the mountains and down to the enticing restaurants and shops of Cala San Vicente.
