

Gran Casa Rostoya

Region: Mallorca Sleeps: 8

Overview

Welcome to Gran Casa Rostoya, Large gates open into the driveway that winds up up to front of the property. From the front door you'll enter into an open-plan lounge and dining area with sofas, a stylish dining table with chairs and an American-style fitted kitchen.

Leading off from here is a twin bedroom with en suite shower room, a double bedroom and another shower room. Stairs lead up to the first floor landing which incorporates a writing desk (great for writing postcards!) and a sofa if you feel like curling up with a book. A step up from this area is a corridor with a door leading outside and down to the outside covered terrace with all its amenities. Further along this corridor is a full shower room, a twin bedroom and a double bedroom with a picture window that has a great view of the gardens.

On the ground floor, large French windows open out to a huge covered terrace overlooking the pool, notable for its large Roman steps for when you fancy cooling off. The pool itself is surrounded by grass on three sides and has established trees nearby that offer shade from the sun.

Adjacent to the pool area is a barbecue terrace - ideal for eating and entertaining around the pool and gardens at any time of day.

The decor within the villa is stylish and the fittings and fixtures of a really high standard!
