Location & Local Information

Villa Bazan is located perfectly, a very short drive to either the heart of the truly beautiful resort town of Moraira, or to the equally beautiful coastline, about 2.5 kms. Equally, it is located a short walk from bars, amenities, restaurants and even a local go-karting track to keep you and your family contented and entertained should you want one of those quiet days in.

Though a resort town, Moraira takes great pride in its maintained connection to its roots as a quaint fishing village. Great care is taken to maintain a whimsical and tasteful feel to the otherwise well equipped town that can provide easy access to all necessary commodities, and several unnecessary (but extremely fun) ones. The surrounding countryside is also breathtaking and highly accessible, with plenty of scenic walks and vineyards just waiting to be explored.

Nestled between mountains and the sea, the jewel of the ever popular Costa Blanca has never the less not sold out to the tourism boom. As a result its charming waterfronts and beaches are rarely crowded, and there is a huge range of local shops and markets along with supermarkets for more basic necessities, and a huge range of international cuisine if you fancy something different. Most exciting is the traditional daily morning fish market situated in the towns marina, where that mornings catch attracts eager crowds of visitors and locals.

Activities for adults include art galleries, local shopping, Jet Ski hire, water skiing, deep sea fishing, diving tuition and equipment hire, tennis courts, a golf course and mountain bike hire.

However the town is also truly child friendly. Specially designed parks are situated throughout the town along with mini-golf and funfairs. The beaches are safe, well kept and accessible from the main town through a lush series of parks that negates the need to cross any roads.

If you need to travel further afield, it is also an easy drive to Gudalest, Benidorm, Calpe, Javea, Valencia, Alicante and Denia.
