

Villa Odelia

Region: Santo Antonio Resort **Sleeps: 6**

Overview

This wonderful villa provides the perfect blend of relaxed, private self catering accommodation, yet with easy access to many resort facilities and amenities.

The interior of the villa is homely, with all the mod cons that you would expect from a self catering holiday. The lounge is welcoming and has a home from home feel to it, with a flat screen TV, DVD player, Nintendo Wii and comfortable sofas to relax on.

All of the three bedrooms are well decorated and have ensuite bathrooms, providing the privacy and convenience that you need on a holiday.

The outdoor area is where you will spend the most of your time, be it sunbathing on the charming terrace, eating and dining on the first floor balcony, or by cooling off in the inviting private pool.

With the resort's facilities all close by, you can choose to have a private, undisturbed holiday, or dip in and out of the activities on site whenever you choose.

Location & Local Information

The properties are all located on Santo Antonio Resort in the West of the Algarve and are a short drive from the resort centre. As well as the wealth of facilities and activities available on this holiday resort, there is plenty to be discovered in the local area.

A short drive from the resort down to the sea brings you to the charming coastal village of Salema. Here you will find a small sandy beach and little boutique shops and restaurants, among cobbled streets, which sell the freshest catch of the day.

Further along the coast is the town of Sagres, which is not only famed for the town that produces the Portuguese beer of the same name but also for windsurfing, where surfers enjoy the breeze and the sea currents to good effect.

Please note that at certain times of the year, not all facilities may be available at Santo Antonio Resort.
